100 years of history

Valrhona, a passionate confectioner for 100 years

Valrhona's chocolate bonbons are made with **craftsmanship** that combines **skill** and **innovation**. Valrhona confectioners are passionate about their craft and they are continuing a **long tradition that prizes quality and excellence** from their base in the heart of the Rhône Valley in France.

Every last gesture and technique is important. By selecting and assembling the best ingredients, Valrhona confectioners carefully craft singular, authentic creations.

This intricate work, enabled by our cutting-edge chocolate expertise, demonstrates Valrhona's commitment to perfection.

For 100 years, each bonbon and its decoration have been made in the Drôme region, in Tain-l'Hermitage. In most cases the work is done by hand to make **each piece unique**.

Even more natural with just as much taste

Because our corporate mission has always been **using good food to make the world a better place**, we constantly seek to offer you the best possible products in the most respectful way possible for the environment and the health of the consumer.

This is why we have undertaken to reformulate **the recipes of our chocolate bonbons**, to improve them and offer you an **indulgent and reasonable range**:

- Sunflower lecithin instead of soy lecithin, because we are committed to protecting the environment and offering you sustainable chocolate.
- Natural aromas and ingredients with colorful properties (spirulina extract, safflower, beetroot) to preserve the health of your customers.
